12000 Butterworth

Dear Sir/Madam,

**Application For IT Related Position**

I would like to apply for the post of "IT related position" which you have advertised in  
<http://www.bankpstn.com.my>.

I graduated from Universiti Sains Malaysia (USM), with a Bachelor Degree in Computer Science majoring in Information System Engineering. After graduation I applied 1Malaysia Training Scheme (SL1M) program organized by Telekom Malaysia (TM) and was successfully selected as their trainee. I completed their 2 month soft skill training. This program helps me a lot in understanding the real working environment. Shortly after my SL1M program I was offered a 4 month contract basis job by local company, Feiran Group Company as web developer for Institut Sukan Negara (ISN). My scope work is elaborated in my resume.

I hope with my educational background and working experience, CO-OPBANK PERSATUAN MALAYSIA BERHAD would consider hire me for this job position. I can be reached anytime via my cell phone, 019-3316248 or via email at [afiqon@gmail.com](mailto:afiqon@gmail.com). Thank you for your time and consideration. I look forward to an interview with you where we can have a detailed discussion on my suitability for the position.

Yours sincerely,

(Muhammad Afiq Bin Mustaffa)
